## INTERACT—New Corporate Identity

**The INTERACT Programme launches its new corporate identity**

The new INTERACT Logo replaces the oval-shaped INTERACT Logo. It is the most visible element of a range of corporate identity items—including a portal website—that will be phased in over the next few months.

For more information on the new corporate identity, please contact Inge De Prins, Communications Manager. For a sneak preview of the new website visit <http://www.interact-eu.net>.
